

# DRESS CODE FOR STAFF

---

The overall professional image will be the deciding factor in all dress code cases. You should not look like you are going to: visit a bar, clean the garage, or go to the pool.

Lone Star spirit shirt may be worn each Friday throughout the school year with jeans.

Overalls and shorts are not appropriate unless it is a designated day. Shorts are defined as pants that stop above the knee. If they are at or below the knee, they are pants.

Sleeveless tops are appropriate. Tank tops, spaghetti straps, strapless tops may only be worn if they have a sweater or jacket over them (inside and outside at school). Skirts and dresses should not be more than a couple of inches above the knee.

ID badges should be worn at all time.

Unacceptable: Previous years' Field Day shirts, Fun Run shirts, or Tribe shirts.

**If you ever look in the mirror and wonder if your look is appropriate, it probably is not.**

## **Jeans Dress Code for 2018-19:**

Monday: Shirt of your choice that fits the above standard

Tuesday-Thursday: No graphic tees (lettering or artwork)

Friday: Lone Star (only) spirit shirt

*School Holiday on Monday?* Follow Tuesday's dress code when you return.

*Special Events?* Dress for the occasion.

*Theme Days?* Dress for the theme OR follow the dress code.

*Not in the mood for jeans?* No problem.
