

MAKE UP WORK

Students are permitted to make up tests and turn in projects in all classes due to absence. Remember that students' absences are typically not their fault. Try to help them get caught up without fussing at them. Teachers may assign a later penalty to any project in accordance with time lines approved by the principal and previously communicated to students.

For any class missed, the teacher may assign the student makeup work based on the instructional objectives for the subject or course and the needs of the individual student in mastering the essential knowledge and skills or in meeting subject or course requirements for the class missed.

(Board Policy EIAB) "A student will be responsible for obtaining and completing the makeup work in a satisfactory manner and within the time specified by the teacher."

Students who request work in anticipation of a planned absence should note that this work is due the day they return to school.

A good rule of thumb is to give the students 1 day for every day absent.
