

NAMETAGS & VISITORS

All visitors must wear a V-SOFT name sticker from the front office. Please do not allow visitors to enter the school from any side door. Stop all visitors if their label is not visible. Labels designate which area or meeting the parent is supposed to go. If they are somewhere else (Ex. Their sticker says ARD, but they are down in your hallway), please ask them politely to return to the front office and get a new sticker.

It is important that we model this safety precaution by wearing our MISD name badges at all time.
